 Beloved of Holy Trinity Holy Cross

Thought for the day: “Never put the Bible away without memorizing at least one verse each day. Take it with you. Make it the controlling thought of the day. Return to it. Cling to it. Live with it all day. Chew on it as a cow chews her cud. Fall asleep with it at night. It is possible to carry the Bible around in your heart.”

Introducing the Orthodox Church: Fr. Anthony Conairis

Scripture of the day: “ Let the word of Christ dwell in you richly” Col. 3:16
